

benner's bagels pizza

n' whatnosh
802.753.7772
604 Main Street Bennington, VT

It's funny how you can live in a place and never experience all it has to offer... sometimes you just don't notice it even though it's right there in front of you.

Such was our experience having lived in Bennington for over 30 years we've seen Main Street from the window of a car passing by, there is a character that is perceived from that vantage point. Once you walk along Main Street you experience a different sense of the character of the Town.

As you enter the businesses along our Main Street you meet the owners and the employees and you start to understand the community that Main Street represents.

The location at 604 Main street is one that we'd driven by many times. We knew it as the location with the large front porch, nestled into the downtown landscape. The Valentine Street end of the building is the long time home of The Mexican Connection, a shop owned and operated by Rosita Sleeman which offers unique jewelry, clothing and artwork from Mexico. The business location is unique in that it is not quite in the main business district area of Main Street but in that transitional space between business and neighborhood residences.

A sweet old white clapboard colonial building built in 1816 which is synonymous with the white clapboard image that those that come to visit the Green Mountains of Vermont love about Bennington. The building has the original covered front porch with scrolled columns that take you back to a simpler time. The old front yard of the building still has wonderful shady trees; the porch has been extended to the trees to offer a wonderful peaceful viewpoint from which to sit, relax and eat while you experience Main Street in Bennington on a beautiful summer day or the leaves on a bright fall afternoon.

Benner's is a family owned and operated eatery. Having over 30 years of experience in the pizza and deli business...with a large family...the thought of having one's own family business took root and when the experience of the often driven by Main Street location came to realization...the two just clicked. Benner's serves a wide range of tastes. From our specialty calzones and pizzas that many have claimed as "the best ever" to our wings, soups, sandwiches, wraps and salads. We carry Vermont's own Wilcox ice cream and Green Mountain Coffee. Just check out our menu...if there is something missing... just ask Kim; she loves to find a way to give the customers what they are looking for. Offering gluten free pizza is just one example of that. Benner's hours are Monday through Friday 8am til 10pm, Saturday 9am til 10pm and Sunday 10am til 10pm. As you can see Benner's is open if you need a morning cup of coffee or a bagel, breakfast sandwich or breakfast calzone on your way to work. We are also there for you for lunch right on up to a late night snack. As long as the open sign is lit in the window we are ready to serve you. If you can't make it to us Benner's can deliver to you. Benner's offers interior dining where you can take care of your hunger while you catch the game, go online with our free wireless, or relax and talk with your friends. In the warmer months Benner's has wonderful shady outdoor dining right along Main Street. It really offers the best of both worlds and is very accessible. Please stop by and let us welcome you to Benner's...your neighborhood bagel, sandwich and pizza shop...
