### **Our Mission**

We are dedicated to preserving our environment and supporting our community by:

- serving healthy, all natural and organic foods;
- supporting local organic farmers and local businesses;
- providing fund raising options for community groups;
- using "green" products and biodegradable packaging;
- composting food waste and recycling materials.

### **About Fund Raising** ***Fun, Exciting and Profitable!***

For the past nine years local community groups have raised over \$198,000 selling our "Take & Bake" Pizzas, gift certificates, and our "Scoop & Bake" Cookies. People love to support good causes and enjoy the convenience of our great-tasting, healthy foods.
