Sneak out on your lunch break, or share a drink with your date before enjoying a meal in the dining room. When the weather warms up gather with friends on our patio. What can be better than a delicious meal in a charming country setting?

Whether you are celebrating with family, gathering with friends, or having a weekly dinner

out with your husband or wife, The New England House is the perfect choice.

OUR HISTORY:

The New England House is named after the Kerbers first venture into hospitality service. In 1992 they renovated what was known at the time as the Bernardston Inn, located nearby in Bernardston, MA. After nearly a ten year run, there was a great fire which destroyed the Inn. Now they have renovated and started over in the current location which was known as the Jolly

Butchers and is now The New England House. The Kerber family and our dedicated staff thank you for your patronage. ENJOY!
