The important thing is to not stop questioning.

A college education transcends classroom walls, encompassing the academic setting, the community and its spirit. The berkshires and Southern Vermont provides the ideal environment: stunning scenery, fine schools, and some of the greatest cultural institutions in the world.

Each of our six area colleges offers a unique learning experience. Bennington College in Vermont, Berkshire Community College in Pittsfield, Massachusetts College of Liberal Arts in North Adams, Simon's Rock College of Bard in Great Barrington, Southern Vermont College in Bennington and Williams College in Williamstown all provide a wonderful starting point for a diverse range of academic and professional careers.

At the The Advocate and North Adams Transcript we want to be a valuable resource for Berkshire County and Southern Vermont students and their families. With local news, events, calendars and lifestyle resources, The Advocate and North Adams Transcript are your guides to Berkshire living.
